radio WEKZ green county broadcasting corporation

June 25, 1975

Mr. Ernest J. Wesolowski
1416 Pasadena Avenue
Omaha, Nebraska 68107

Dear Mr. Wesalowski:

Your reception is correct. We were indeed making an annual Proof-of-Performance measurement on June 22, 1975, from 12:00 midnight until 2:30 a.m. Thank you for writing. We do not usually have the station on the air after midnight as we are a daytime only station.

Sincerely,

A. L. Stewart
